

Vehicles Pass Request

This service allows users to submit pass requests for heavy vehicles. Users can add and remove drivers and vehicles. Users can add a vehicle pass request, check pending requests and finalize requests.

Main Menu:

This is the main menu of the Vehicles Pass Request System.

Vehicles Pass Request

- Add New Request
- Pending Requests
- Finalized Requests
- Add / Remove Vehicles
- Add / Remove Drivers

Before adding new vehicle request, users should add drivers and vehicles. After that users can place a Vehicles Pass Request.

Add / Remove Vehicles:

Users should add all the vehicles that will be used for certain job within the port by the vehicle no. and vehicles expiry date. Users can add as many vehicles as needed. Users can see a list of the added vehicle in the Vehicle's details at the end of the page. Users can delete a vehicle by clicking on the trash icon beside that vehicle details.
