Notice to Mariners No. 381

SUBJECT : GEOTECHNICAL SURVEY ACTIVITIES AT PORT OF FUJAIRAH

Please be advised that Geotechnical Survey activities are being carried out by the Self-Elevating Platform (SEP) **"SKATE 3D"** at the location indicated in the attached chartlet, in accordance with the operational schedule and expected dates specified therein.

SEP **SKATE 3D** will be adequately illuminated and will exhibit the appropriate navigation lights during night-time operations to ensure its visibility to approaching and transiting vessels.

The survey operations will involve the deployment of specialized geotechnical survey equipment and personnel within the designated area. The platform will remain at the designated survey location for the duration of the relevant activities.

Mariners navigating in the vicinity of the survey area are requested to exercise due care, navigate with caution, and maintain a safe distance from the survey pontoon and associated equipment.

Best Regards,

05/11/26

Capt. Mayed Alameeri,
Harbour Master
Director of Marine.
